

Catawba Springs Elementary School Playground Project Spring 2018

Goal: Raise \$70,000 this semester to replace all three playgrounds at the school.

Plan:

- Phase 1: Raise \$30,000 between now and February 28 so we can replace the first playground this spring.
- Phase 2: Raise an additional \$30,000 by May 31 so we can replace the second playground over the summer.
- Phase 3: Raise \$10,000 to complete the final phase, which ideally would be done over the summer. If we are unable to secure funding before the end of May, this phase will be pushed into the 2018-2019 school year.

Effort: Secure gifts from individual families and corporations to reach our goal. Donors will be recognized by giving level in the following ways:

Business/Family Name	\$10,000	\$5000	\$2500	\$1000	\$500	\$250	\$100

Please detach and return the pledge form below as soon as possible with your gift or indicate the amount you intend to give online through Givelify (<https://giv.li/54x8f9>) so we can track progress towards our goal. Remember, all gifts are tax deductible and recurring monthly payments can be scheduled through Givelify. For example, if you pledge to give \$84/month over 12 months, your family and/or business could be listed at the \$1000 level.

A donation of any amount is greatly appreciated as we work together to reach our goal! If you have questions, please contact the school and a member of the playground committee will be in touch to assist you.
